

Welcome!

In an effort to continue operating as safely as possible,
**we have suspended wine tasting at our tasting bar
until further notice.**

We will be offering complimentary, portable tasting flights of four wines that can be ordered at the register or bar and carried to your table or spot on the lawn!
Flights are available Monday-Friday only. Please remember to bring your ID. (Customers will need to be present, with ID, to receive their wine flight.)

Masks are required while inside the tasting room.

They may only be removed while sitting at a table.

Cheers, friends!
